Corporate Matching Gifts/Volunteer Involvement Program

Below is a partial list of area companies that will either match, double or triple your financial contribution to Washington Crossing Council or provide a grant to the Council in your name for the volunteer hours you give to the Boy Scouts. There are two steps for you to take to secure this funding for our council:

1. Ask for the matching gift/volunteer hours form from your Human Resources office.
2. Complete the form and submit it to the Washington Crossing Council for verification.
