

Resident Summer Camp Opportunities

This year Washington Crossing Council is proud to offer **three** Resident Summer Camp Partners!

Camp Acahela (Northeastern PA Council)

Explore Kingdoms of Adventure this summer at Camp Acahela! There are two exciting Cub Scout overnight camping opportunities to choose from. A 6-Day 5-Night stay designed for those Cub Scouts and Webelos Scouts who are prepared to camp overnight! If six days is too long, how about trying 3-Day Adventure Camp? It begins on Sunday and everyone leaves on Tuesday after the program. If a scout decides to stay for the rest of the week, we would love to have him/her. Those arrangements can be made very easily at the Camp Office.

Musser Scout Reservation (Cradle of Liberty Council)

We offer a variety of Resident overnight camping on our 1400 acre Scout Reservation. The Scouts will get to enjoy camp and work on advancement in some of our 11 program stations! **If you can't go with your pack or den you are welcome to attend with your parents or a small group.** Our camp staff is excited to bring you a great advancement program, as well as aquatics, archery, hiking, nature, STEM, BMX bikes, Bouldering Wall, Native American Village Area, Action Sling Shots, and BB guns activities with themed fun all around! Scouts will be taught by our fully-trained staff that is ready for fun and adventure!

Quail Hill Scout Reservation (Monmouth Council)

Our Resident Camp programs utilize our Day Camp program during the day and provide additional advancement opportunities, outdoor activities as well as camping experiences in the evenings. Webelos Resident Camp (session 2) is a week-long program specifically for boys entering their first or second year of Webelos. Our Half Week Resident Camps (sessions 1 & 3) are for all Cubs and Webelos that might not be ready for a full week away from home.
