

Ockanickon Scout Reservation Masking Policy – Revised 30 JUN 2021

Fully vaccinated individuals are not required to wear masking indoors or outdoors. Non-vaccinated or partially vaccinated individuals are required to wear masks while indoors and are encouraged to wear a mask in crowded outdoor settings or during activities that involved sustained close contact with other people. Exceptions to masking include:

- Certain program areas such as aquatics and endurance crew
- If you have a medical exemption. This must be stated on part C of your medical form.

Individuals should use well-fitting cloth masks with two or more layers of tightly woven, breathable fabric, or a disposable mask. Your mask must fully cover your mouth and nose to stop the spread of droplets.
