

2022 Summer Camp Youth Fees

Camp fees at OSR include the materials required for merit badge programs. This means Scouts do not pay extra for basketry kits, leather kits, clay, arrow kits, rifle and shotgun ammunition for merit badges. Camp fees also include programs such as mountain biking, COPE and climbing.

There are some programs carry an additional fee such as the CPR course and the Magic the Gathering tournament.

Non-merit badge participants may purchase ammunition, craft kits at our Trading Post.
