

CAMPERSHIP APPLICATION

(Please read this before completing the Campership Application Form)

Since its founding, a primary aim of Scouting has been to teach self-reliance and promote a strong work ethic. Just as important, is the goal that no Scout be prevented from participating in a Scouting activity because of lack of funds. The campership program helps us achieve these objectives. Each year the Washington Crossing Council through generous support from donors is able to award a limited number of partial camperships to those Scouts who wish to go to camp but are unable to pay. Funding is limited based on donations and should only be requested by those with significant financial need.

All Scouts attending Ockanickon Scout Reservation for summer camp are eligible to apply for a campership. Up to one half of the camp fee may be awarded. In rare circumstance where the need is great, a higher award maybe granted. It is our hope that the Scout, his or her family, and unit will work together to earn as much of the fee as possible.

- The unit leader should help with the completion of the application.
- Camperships may not cover the full cost of registration and will not cover optional fees.
- Camperships are not transferable or refundable and have no cash value.
- Each Scout will be notified before April 15th about the status of their application.
- Camperships for multiple weeks of camp will not be considered.
- The Council Camping Committee will determine the status of the scholarship request by **April 5th**. A determination letter will be sent to both the parent/guardian and the troop leader.

If a campership **is not awarded**, the Scout will still receive the tier 1 discounted rate.
